

XL BOTTOM DUMP

XL 60 Bottom Dump

YOUR SOLUTIONS-BASED HAULING PARTNER

adjustable side locks

EXTRA LARGE HOPPER

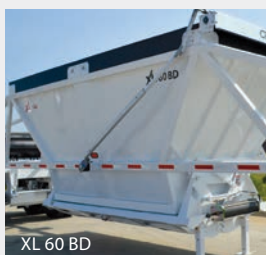

With a 96" x 193" opening, the XL Bottom Dump offers the largest hopper opening you will find. Adjustable side locks and windrow deflectors assist in dumping various materials. The oscillating 5th wheel plate pivots as needed to pull the trailer over large piles.

removable push block

DESIGNED FOR YOU. BUILT TO LAST.

Experience user-friendly features such as a bolt-on removable push block, windrow deflectors and adjustable front and rear locks. XL Bottom Dumps offer the XL Built to Last difference, using reinforced sidewalls made from 10 gauge steel and gates made from ASTM A-572 steel.

XL 60 BD

LIGHTWEIGHT VERSATILITY

The 25 cubic yard capacity (when using 10" bang boards) trailer weighs in with an approximate base weight of 12,750 lbs on a 2 axle, and 15,250 lbs on a 3 axle, giving you more payload capacity.

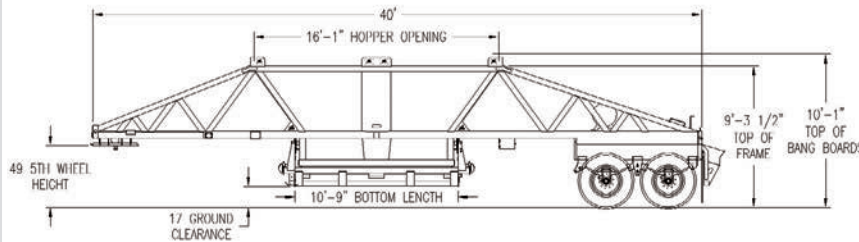

BUILT WITH YOU IN MIND

- Air operated gates with electric cab control and manual air valve controlled from ground
- Drop leg 4" x 4" square tube landing gear
- 10" bang boards
- Steel treadplate fenders available on the front and rear
- Rubber mounted LED lights
- Cut and chip resistant tires available
- Add an infinite gate control to open the gates to any width you need
- Add an electric tarp or manual tarp for even more flexibility, offered in both flip or slide versions
- XL paint includes a **full 1 year warranty.**
- XL Specialized Trailers' Bottom Dump trailers feature a **1 year structural warranty.**
