CATERPILLAR TIPS

The most important part of any machine is its work tool. Buckets or blades, tips or edges – no matter the size, worktools and G.E.T. are the main reason the machine exists.

Ground engaging tools have a direct effect on the machine's ability to produce. Improper selection affects not only your productivity, but your fuel consumption, maintenance costs and possibly the longevity of your equipment.

Call or email us today for pricing options.

*Not all tips qualify. Offer valid 7/1/20—9/30/20.
